FAQ

1. **Who is eligible to participate in the Free Oracle Cloud Training and Certification program?**

   The Free Certification Exam program is open to all individuals interested in expanding their knowledge and skills in Oracle Cloud.

2. **Are there any prerequisites or requirements to participate in the promotion?**

   While there are no specific prerequisites to participate in the Free certification program, we recommended that you have a basic understanding of cloud computing concepts and some familiarity with Oracle Cloud.
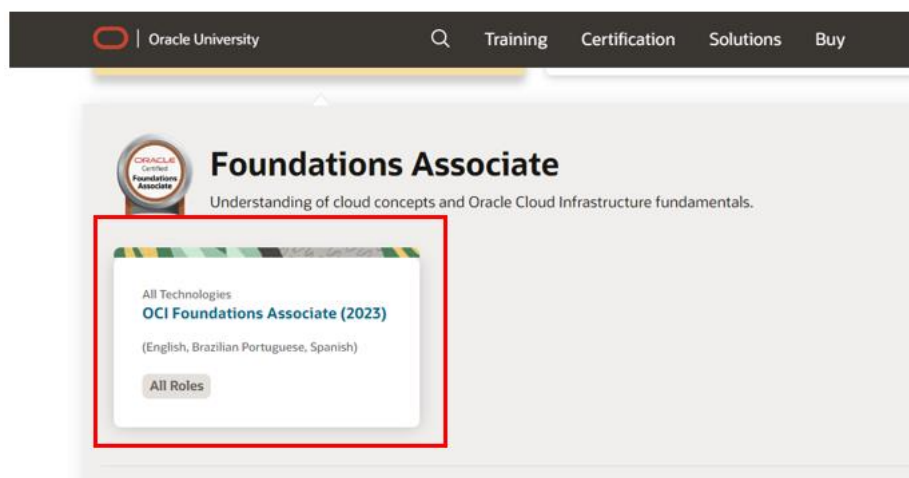

3. **How do I enrol in the Free Oracle Cloud Training and Certification program?**

   Click here to enrol in the Free Certification Exam program. Make sure to review the official rules and program details before proceeding.
   1. Click on the 'Join the Race to Certification'
   2. Click on the certificate which you wish to take up as part of the program.

3. Read the course description and click on start learning.

4. Activate your learning.

5. Sign in using your oracle account credentials, if you haven't created an account, please create one using UST email id (use any other password)

6. Enrol in the training and complete the learning path.
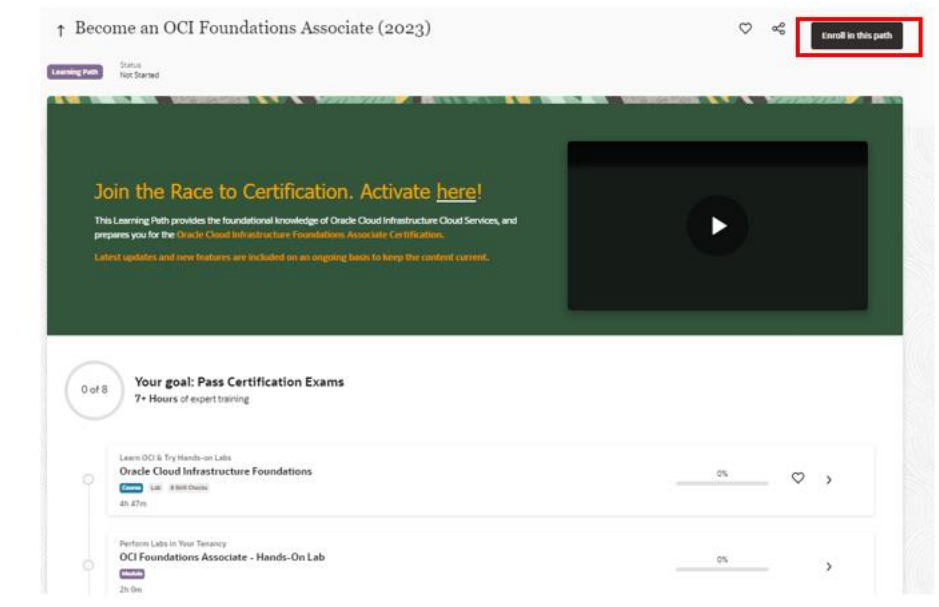

4. How many free exams can I take as part of the program?

You are eligible to take the two foundations exams - **OCI Foundations 2023 Associate** and **Data Management 2023 Foundations Associate.** In addition to these, you can take any two professional certification exams for free as part of the "Race to Certification" program. However, please note that the availability of free exams is subject to "Race to Certification" oracle program guidelines and may be limited.

5. How will I book my free oracle certification exam.

1. Login to Oracle MyLearn using your account credential and search for the certification.

UST Light Your Talent Beacon

2. Click on Schedule your exam.

3. Select your preferred exam appointment date, before August 31st, 2023 (11:59 p.m. GMT).

4. Under "Apply your Exam purchase," make sure you have selected the **"Race to 2023 Certification Exam Attempt."** (Registration and Exam Date Expires August 31, 2023, GMT)

5. Complete steps 4 and 5 on the registration portal and schedule your exam.

6. **By when do I have to complete the free certification exam?**

   You need to register and take all exams before August 31st, 2023 (11:59 p.m. GMT).

7. **What happens if I do not pass the free certification exam?**

   If you do not pass the free certification exam, you will have the option to retake the exam again. Every participant gets two free "Race to certification" exam attempts as part of the Oracle Race to certification program.

8. **Will I receive a digital badge or certification upon passing the exam?**

   Yes. Upon successfully passing the certification exam, you will be awarded a digital badge and a certification from Oracle.

9. **Can I use the free "Oracle Race to Certification" exam attempts for an exam that I have already scheduled or taken?**

   No. The free certification exam attempt cannot be used for exams that have already been scheduled or taken. It is applicable only for new exam registrations within the promotion guidelines.
